

MARITIME RESOURCES

INFORMATION CIRCULAR

Containing information as at September 21, 2020

This Information Circular is furnished in connection with the solicitation of proxies by the Management of **MARITIME RESOURCES CORP.** (the “Company”) for use at the Annual General Meeting (the “Meetings”) of the shareholders of the Company to be held on Tuesday, October 20, 2020 at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournments thereof. This Information Circular contains financial information pertaining to the Company’s fiscal year ended December 31, 2019.

PERSONS OR COMPANIES MAKING THE SOLICITATION

THE ENCLOSED PROXY IS BEING SOLICITED BY MANAGEMENT OF THE COMPANY. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders’ nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining from their principals authorization to execute forms of proxy. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. None of the Directors of the Company have advised that they intend to oppose any action intended to be taken by Management as set forth in this Information Circular.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying Instrument of Proxy are Directors or Officers of the Company. **A shareholder has the right to appoint a person to attend and act for him on his behalf at the Meeting other than the persons named in the enclosed Instrument of Proxy. To exercise this right, a shareholder shall strike out the names of the persons named in the Instrument of Proxy and insert the name of his nominee in the blank space provided, or complete another Instrument of Proxy. The completed Instrument of Proxy should be deposited with the Company’s Registrar and Transfer Agent, Computershare Trust Company of Canada (“Computershare Trust”) at 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 at least 48 hours before the time of the Meeting or any adjournment thereof, excluding Saturdays, Sundays and holidays.**

The instrument of proxy must be signed by the shareholder or by his duly authorized attorney. If signed by a duly authorized attorney, the instrument of proxy must be accompanied by the original power of attorney or a notarially certified copy thereof. If the shareholder is a corporation, the instrument of proxy must be signed by a duly authorized attorney, officer, or corporate representative, and must be accompanied by the original power of attorney or document whereby the duly authorized officer or corporate representative derives his power, as the case may be, or a notarially certified copy thereof. The Chairman of the Meeting has discretionary authority to accept proxies which do not strictly conform to the foregoing requirements.

In addition to revocation in any other manner permitted by law, a shareholder may revoke a Proxy either by (a) signing a Proxy bearing a later date and depositing it at the place and within the time aforesaid, or (b) signing and dating a written notice of revocation (in the same manner as the Instrument of Proxy is required to be executed as set out in the notes to the Instrument of Proxy) and either depositing it at the place and within the time aforesaid or with the Chairman of the Meeting on the day of the Meeting or on the day of any adjournment thereof, or (c) registering with

the Scrutineer at the Meeting as a Member present in person, whereupon such Proxy shall be deemed to have been revoked.

NON-REGISTERED HOLDERS

In the Notice of Annual Meeting of Shareholders, this Management Proxy Circular and the form of proxy provided, all references to shareholders are to registered shareholders. In many cases, shares beneficially owned by a shareholder are registered either in the name of an intermediary that the nonregistered shareholder deals with in respect of the shares or in the name of a clearing agency such as the Canadian Depository for Securities of which the intermediary of the non-registered shareholder is a participant.

There are two kinds of beneficial owners: those who object to their name being made known to the Company, referred to as objecting beneficial owners (“OBOs”) and those who do not object to the Company knowing who they are, referred to as non-objecting beneficial owners (“NOBOs”). The Meeting materials are being sent to both OBOs and NOBOs. In accordance with new legal requirements, the Company has decided this year to distribute copies of the Notice of Annual Meeting, Management Proxy Circular, and the enclosed form of proxy to NOBOs directly. Their name and address and information about their holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on their behalf. By choosing to send the Meeting materials to NOBOs directly, the Company has assumed responsibility for delivering these materials to them and executing their proper voting instructions. The Meeting materials for OBOs will continue to be distributed through clearing houses and intermediaries, who often use a service company such as Broadridge Financial Solutions, Inc. to forward meeting materials to non-registered shareholders.

Objecting Beneficial Owners

Intermediaries are required to forward Meeting materials to OBOs unless an OBO has waived the right to receive them. Generally, OBOs who have not waived the right to receive Meeting materials will either be given a proxy which has already been signed by the intermediary and is restricted as to the number of shares beneficially owned by the OBO but which is otherwise not completed or, more typically, be given a voting instruction form (“VIF”) which must be completed and signed by the OBO in accordance with the directions on the VIF.

Non-Objecting Beneficial Owners

The Meeting materials with a form of proxy will be forwarded to NOBOs by the Company’s transfer agent, Computershare Trust. These proxies are to be completed and returned to Broadridge in the envelope provided or by facsimile. Computershare Trust will tabulate the results of the proxies received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the proxies they receive. The purpose of these procedures is to permit non-registered shareholders to direct the voting of the shares they beneficially own.

Should a non-registered shareholder who receives either a proxy or a VIF wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the non-registered shareholder), the non-registered shareholder should strike out the names of the persons named in the proxy and insert the non-registered shareholder’s (or such other person’s) name in the blank space provided, or in the case of a VIF, follow the instructions on the form. By doing so the non-registered shareholder is instructing the intermediary to appoint them or their designee as proxyholder.

In any event, non-registered shareholders should carefully follow the instructions of their intermediaries and their service companies or Computershare Trust, as the case may be.

Special Arrangements for Telephone Conference Participation in Response to Covid 19

In response to the unprecedented public health impact of COVID-19, and to mitigate risks to the health and safety of its shareholders, employees and local communities, Maritime is urging shareholders not to attend the AGM in person. Shareholders should vote on the matters before the AGM by proxy or voting instruction form prior to the proxy cut-off on Friday, October 16, 2020 at 10:00 am EDT.

Registered shareholders and duly appointed proxy holders may participate in the AGM via conference call. Registered shareholders and duly appointed proxy holders who have properly registered prior to the AGM as outlined below will be able to ask questions of management via the conference call at the conclusion of the AGM. In order to participate in the AGM, registered shareholders and duly appointed proxy holders must register via the following link prior to the proxy cut-off at 10:00 am EDT on Friday, October 16, 2020. A dedicated conference call line has been set up for the Meeting. Once you register to participate, you will be given a call in number. In addition, Maritime will issue a press release prior to the Meeting with instructions regarding participation in the Meeting. Please note that phone networks are currently very busy due to the global pandemic, and it is recommended that you attempt to connect at least fifteen minutes prior to the scheduled start time of the AGM.

Registered shareholders and duly appointed proxy holders who regard their physical attendance at the AGM as essential are asked to contact Lorna MacGillivray, Corporate Secretary at (416) 304-9093 or lorna@maritimegold.com prior to 10:00 pm EDT on Monday, October 19, 2020 so that appropriate measures can be put in place to facilitate physical distancing and other precautions to ensure the health and safety of all attendees. Maritime will follow the guidance and orders of Provincial and Federal public health authorities in that regard, including those restricting the size of public gatherings.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed Instrument of Proxy will vote the shares in respect of which they are appointed and, where directions are given by the shareholder in respect of voting for or against any resolution, will do so in accordance with such direction.

In the absence of any direction in the Instrument of Proxy, it is intended that such shares will be voted in favour of the motions proposed to be made at the Meeting as stated under the headings in this Information Circular. The Instrument of Proxy enclosed, when properly signed, confers discretionary authority with respect to amendments or variations to any matters which may properly be brought before the Meeting. The enclosed Instrument of Proxy does not confer authority to vote for the election of any person as a Director of the Company other than for those persons named in this Information Circular. At the time of printing of this Information Circular, the Management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the Management should properly come before the Meeting, the Proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominee.

CORPORATE GOVERNANCE

General

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - Corporate Governance Guidelines provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 - Disclosure of Corporate Governance Practices (“NI 58-101”) prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board facilitates its exercise of independent supervision over the Company’s management through frequent meetings of the Board during which time is allocated for a private discussion among the non-executive directors.

The Board is currently comprised of four (4) directors, of which three, John Hayes, Mark N. J. Ashcroft and Peter Mercer, are independent for the purposes of NI 58-101. Following their appointment to the Board effective October 30, 2018, John Hayes, Garrett Macdonald and Mark N. J. Ashcroft were independent. With his appointment as President and Chief Executive Officer, effective February 1, 2019, Mr. Macdonald ceased to be independent.

Directorships

Certain of the directors and proposed directors are also directors of other reporting issuers, as follows:

Director	Other Reporting Issuer
Mark N. J. Ashcroft	Aurelius Minerals Inc. Moneta Porcupine Mines Inc.
Garrett Macdonald	Aurelius Minerals Inc. First Cobalt Corp. Gungnir Resources Inc.
Peter Mercer	1948565 Ontario Inc.

Orientation and Continuing Education

New Board members receive an orientation package which includes reports on operations and results, and public disclosure filings by the Company. Board meetings are generally held at the Company’s offices or by conference call and, from time to time, are combined with presentations by the Company’s management to give the directors additional insight into the Company’s business. In addition, management of the Company makes itself available for discussion with all Board members.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. In December 2019, the Board adopted a formal Code of Ethics that now governs directors, officers, employees and consultants of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation Governance

The Compensation Committee is responsible for, among other things, evaluating the performance of the Company's executive officers, determining or making recommendations to the Board with respect to the compensation of the Company's executive officers, making recommendations to the Board with respect to director compensation, incentive compensation plans and equity-based plans, making recommendations to the Board with respect to the compensation policy for the employees of the Company or its subsidiaries and ensuring that the Company is in compliance with all legal requirements with respect to compensation disclosure. In performing its duties, the Compensation Committee has the authority to engage such advisors, including executive compensation consultants, as it considers necessary.

On December 5, 2018, Messrs. Garrett Macdonald, Mark N.J. Ashcroft and Peter Mercer were appointed to the Compensation Committee. With Mr. Macdonald's appointment as CEO on January 31, 2019, Mr. John Hayes replaced Mr. Macdonald and the Compensation Committee was comprised of John Hayes, Mark N. J. Ashcroft and Peter Mercer. Messrs. Hayes, Ashcroft and Mercer were considered to be independent of management of the Company. On June 18, 2019, Messrs. Ashcroft and Mercer were appointed to the Compensation Committee. All the members of the Compensation Committee are experienced participants in business or finance, and have sat on the board of directors of other companies, in addition to the Board of the Company.

The recommendations of the Compensation Committee are based primarily on a benchmarking analysis which compares the Company's pay levels and compensation practices with other reporting issuers of the same size as and which are active in the same industry and/or market in which the Company competes for talent. This analysis provides valuable information that will allow the Company to make adjustments, if necessary, to attract and retain the best individuals to meet the Company's needs and provide value to the Company's shareholders. The Board does not have a pre-determined compensation plan. The Company does not engage in benchmarking practices and the process for determining executive compensation is at the discretion of the Compensation Committee and the Board.

The Compensation Committee has not engaged the services of independent compensation consultants to assist it in making recommendations to the Board with respect to director and executive officer compensation.

In performing its duties, the Compensation Committee has considered the implications of risks associated with the Company's compensation policies and practices. At its present early stage of development and considering its present compensation policies, the Company currently has no compensation policies or practices that would encourage an executive officer or other individual to take inappropriate or excessive risks.

Other Board Committees

The Board has no other committees, other than the Audit Committee and Compensation Committee.

Assessments

Due to the minimal size of the Company's Board of Directors, no formal policy has been established to monitor the effectiveness of the directors, the Board and its committees. As the Company develops and the size of the Board increases, it is expected that a policy will be adopted to evaluate the effectiveness of the directors, the Board and its committees.

Pursuant to the Fulcher Agreement, Mr. Fulcher was paid a salary of \$240,000 per year. The terms of the Fulcher Agreement provide that, in the event the Company provides Mr. Fulcher with three months written notice of its intent to terminate ("Working Notice"), Mr. Fulcher would agree to diligently and faithfully serve the Company during this 3-month period following the date of receipt of Working Notice. Once the Company had given Working Notice to Mr. Fulcher, then the Company could, at its sole discretion, pay to Mr. Fulcher a lump sum in an amount equal to the Annual Salary divided by one-twelfth for each month remaining in the 3-month period following the date of receipt of Working Notice in lieu of Fulcher continuing to serve the Company during such remaining period. Mr. Fulcher could terminate his employment at any time upon giving 90 days' notice in writing to the Company, after which the Company could, at its sole discretion, pay to Fulcher a lump sum in an amount equal to the Annual Salary divided by one-twelfth for each month remaining in the 3-month period following the date of receipt of such notice by Fulcher in lieu of Fulcher continuing to serve the Company during such remaining period. - (d) a sale, exchange or other disposition of a majority of the outstanding shares of the Company in a single or series of related transactions;
- (e) a termination of the Company's business or the liquidation of its assets; or
- (f) a merger, amalgamation or plan of arrangement or other corporate restructuring of the Company in a transaction or series of transactions in which the Company's shareholders as a group receive less than a majority of the outstanding shares of the new or continuing corporation;

(each a "Prior Triggering Event"), then, at the option of Mr. Fulcher exercisable at any time within 12 months after the date of the Prior Triggering Event, Mr. Fulcher could:

- (i) elect to continue to be employed by the Company in accordance with the terms of the Agreement; or
- (ii) give 30 days' notice in writing to the Company that the Fulcher Agreement had been terminated, in which event the Company would pay to Mr. Fulcher the amount equal to two (2) years' Annual Salary then in effect on the 30th day after receipt of such notice, less deductions required by law.

The terms of the Pooler Agreement provided that in the event the Company provided Mr. Pooler with Working Notice, Mr. Pooler would agree to diligently and faithfully serve the Company during this 3-month period following the date of receipt of Working Notice. Once the Company had given Working Notice to Mr. Pooler, then the Company could, at its sole discretion, pay to Mr. Pooler a lump sum in an amount equal to the Annual Salary divided by one-twelfth for each month remaining in the 3-month period following the date of receipt of Working Notice in lieu of Mr. Pooler continuing to serve the Company during such remaining period. Mr. Pooler could terminate his employment at any time upon giving 90 days' notice in writing to the Company, after which the Company could, at its sole discretion, pay to Pooler a lump sum in an amount equal to the Annual Salary divided by one-twelfth for each month remaining in the 3-month period following the date of receipt of such notice by Mr. Pooler in lieu of him continuing to serve the Company during such remaining period. Mr. Pooler would not, except as required by law or in the good faith performance of his duties for the Company, disclose any Confidential Information and Materials, in whole or in part, to any person or other entity, for any reason or purpose whatsoever, unless first authorized to do so by the Company. In the event of a Prior Triggering Event (as defined above), then, at the option of Mr. Pooler exercisable at any time within 12 months after the date of the Prior Triggering Event, Mr. Pooler could:

- (i) elect to continue to be employed by the Company in accordance with the terms of the Agreement, or
- (ii) give 30 days' notice in writing to the Company that the Pooler Agreement has been terminated, in which event the Company will pay to Mr. Pooler the amount equal to two (2) years' Annual Salary then in effect on the 30th day after receipt of such notice, less deductions required by law.

The Company also entered into an Employment Agreement and a Change of Control Agreement with Niina Makela effective January 1, 2018 (collectively the "Makela Agreements") pursuant to which, Ms. Makela was paid a base salary of \$6,500 per month. The terms of the Makela Agreement provided that the Company could terminate her employment on giving Ms. Makela 90 days' prior written notice or paying Ms. Makela a lump sum amount equal to 90 days' base salary in lieu of notice. Ms. Makela could terminate her employment at any time upon giving 90 days' notice in writing to the Company, after which the Company could, at its sole discretion, pay to Makela a lump sum in an amount equal to 90 days' base salary. Ms. Makela would not, except as required by law or in the good faith performance of her duties for

the Company, disclose any Confidential Information, in whole or in part, to any person or other entity, for any reason or purpose whatsoever, unless first authorized to do so by the Company.

In the event of a Change of Control as defined in her agreement, at the option of Ms. Makela exercisable at any time within 6 months after the date of the Makela Agreement Change of Control, Ms. Makela could give notice to the Company of her intention to terminate her Employment Agreement on a date to be indicated in the notice and she would be entitled to a payment from the Company equal to 18 times the monthly fee otherwise payable to Ms. Makela under her Employment Agreement. In January 2019, Ms. Makela exercised this option and received payment equal to 18 times her monthly fee.

During the year ended December 31, 2019, the Company made certain management changes pursuant to which the Company paid severances totalling \$884,497 to the previous Chief Executive Officer, Chief Financial Officer, Chief Operating Officer of the Company and the above described Fulcher Agreement, the Pooler Agreement and the Makela Agreements were terminated.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR

National Instrument 52-110 of the Canadian Securities Administrators ("NI 52-110") requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth in the following.

Audit Committee Charter

The Company's audit committee is governed by an audit committee charter, the text of which is attached as Schedule "A" to this Information Circular.

Composition of the Audit Committee

The Company's audit committee consists of three directors, Mark N. J. Ashcroft (Chairman), Garrett Macdonald and Peter Mercer. As defined in NI 52-110, Mark N. J. Ashcroft and Peter Mercer are considered "independent".

A member of the audit committee is "independent" if the member has no direct or indirect material relationship with the Company. A material relationship means a relationship which could, in the view of the Company's board of directors, reasonably interfere with the exercise of the member's independent judgment.

Relevant Education and Experience

NI 52-110 provides that a member of the audit committee is considered to be "financially literate" if he has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexities of the issues that can reasonably be expected to be raised by the Company.

All of the members of the Company's audit committee are considered to be "financially literate", as that term is defined in NI 52-110.

Mark N. J. Ashcroft has been involved in various capacities in the global mining industry and the North American and European debt and equity markets since 1990. Mr. Ashcroft is currently the President and Chief Executive Officer and a Director of Aurelius Minerals Inc. Previously, Mark served as President and Chief Executive Officer and a Director of Stonegate Agricom Ltd. from August 2008 to September 2014. From 2007 to 2008, Mark worked at Versant Partners, where he was responsible for successfully developing their mining finance business in sales, trading and corporate finance. Prior to joining Versant Partners, Mark had been employed since 2003 with Toll Cross Securities Inc., a boutique institutional firm in Toronto where he became Managing Director and Head of Investment Banking. From 2001 to 2003, Mark was a member of the Mining and Metals Team at Standard Bank's New York office where he was responsible for providing metals trading and project financing solutions to mid-tier developers and producers in Canada and Latin America. From 1999 to 2000, he was a member of the Mining and Metals Team of Barclays Capital, a leading provider of project finance to the mining industry. From 1996 to 1998, he worked in Mines Technical Services at Inco Limited's Ontario Division, where he qualified as a Professional Engineer in Ontario. Mr. Ashcroft holds his Bachelor of Engineering (Mining) from Laurentian University and a Master of Science (Finance, Regulation and Risk Management) from the ISMA Centre of the University of Reading.

Peter Mercer is a professional geologist with over 16 years of exploration, mine development and operations experience. He is the Vice President and General Manager of Rambler Metals and Mining PLC, responsible for the Ming Copper-Gold Mine, a producing underground mining operation. Mercer has led a number of feasibility studies for Rambler and the Ming Mine, including environmental compliance, planning, permitting, development and closure, and government relations. Mr. Mercer holds a Bachelor's degree in Earth Sciences from Memorial University of Newfoundland and Labrador.

Garrett Macdonald is a professional mining engineer with extensive experience in project development and mine operations with over 24 years of industry experience. He has managed large technical programs through the concept, feasibility and into construction stages and has senior management and board level experience with several public companies. Mr. Macdonald served as Vice President of Project Development for JDS Energy and Mining, and was responsible for leading the Curraghinalt Feasibility Study for Dalradian Resources, a high grade, narrow vein gold project in Northern Ireland. He also held

roles in mine operations and project engineering earlier in his career with senior Canadian mining firms Suncor Energy, and Placer Dome Inc. From 2009 to 2013 he served as Vice President of Operations for Rainy River. Mr. Macdonald holds a Master of Business Administration degree from Western University's Ivey Business School and a Bachelor of Engineering (Mining) from Laurentian University in Sudbury.

The board of directors believes that the audit committee members have the relevant education and experience to comply with NI 52-110. Mr. Ashcroft is Chairman of the audit committee.

Since the commencement of the Company's most recently completed financial year, the Company's Board of Directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

Since the effective date of NI 52-110, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

The audit committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Company's Board of Directors, and where applicable the audit committee, on a case-by-case basis.

External Auditor Service Fees

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

In addition, the number of Common Shares which may be reserved for issuance to any one individual may not exceed 5% of the issued Common Shares on a yearly basis or 2% if the optionee is engaged in investor relations activities or is a consultant. Based on the 302,271,533 issued and outstanding Common Shares of the Company as at September 21, 2020, options exercisable to acquire an aggregate of 30,227,153 Common Shares of the Company are currently authorized to be granted under the Plan, of which options exercisable to acquire an aggregate of 22,915,000 Common Shares of the Company have been granted.

The Plan contains no vesting requirements, but permits the Board to specify a vesting schedule in its discretion. The Plan provides that if a change of control, as defined therein, occurs, all Common Shares subject to option shall immediately become vested and may thereupon be exercised in whole or in part by the option holder.
